About Us

Heaven's Up North Campground invites you to relax in our uniquely laid out campground located in the heart of the Nicolet National Forest. Our sites are large and grassy with many trees and lots of natural landscaping, which are designed to offer privacy from your neighbors. Each site comes with a picnic table and fire ring that we encourage you to use. Wood, ice, and much more is available in our store. Amenities include: a heated pool, horseshoes, large playground, 9 hole mini-golf course and an activity center for plenty of our planned activities for all ages! Our main lodge has a newly renovated shower house for your convenience. The campground has a free dump station available to our campers. We are a pet friendly campground.
